## Miscellaneous

Paradise is a printable 100% recycled polyester fabric. This capability allows for a unique look in any environment. Please note that Guilford of Maine only supplies the unprinted fabric. Whether it's full color photography, brand recognition or solid blocks of color - the creativity is up to you!

Every effort has been made to ensure color accuracy of the digital images, however, please order a sample before specification. Application testing of this product is recommended. Colors may vary between dye lots. This is a directional fabric. Binder card not available.

Proudly woven in North America supporting our local communities.
